- Hi!

- 

- I won't send anything to her or anyone but you and Steve. I will do points for him and you as a help. I want to see what goes to the Board because if these things are not accurate we will have hell to pay when the fight is joined. The Tribune supports vouchers, and there will be a backlash from them on seven and nine. If we don't get five right we will look like tax and spend bad guys. We have to be prepared to respond to all of the follow up questions that will be asked, and we need to be sure we don't put ourselves in a hole.

- Hi Jim,

- 

- We need to make sure that Steve isn't doing the points. If you send

- Jennifer anything, all three should be on one sheet. She and I spoke and

- I need to fill you in before you send her anything...please.

- 

- Thanks for looking out for me!!!
